PARADE OF TITLEHOLDERS

Specialty # 1 ONLY / April 27, 2024

- All Siberian Huskies with ANY AKC OR SHCA TITLE
- Therapy Dogs
- Sled Dog Degree Holders of Record:

SLED DOG (S.D.) *This degree recognizes the AKC registered or ILP-registered Siberian Husky who has demonstrated a basic level of proficiency in sled racing by earning a total accumulation of not less than 100 miles in not less than three successfully completed distance races or five successfully completed races when using sprint or combining sprint, mid-distance, and distance (Rule revised 1/2017)*

SLED DOG EXCELLENT (S.D.X.) *This degree recognizes the AKC registered or ILP-registered Siberian Husky who demonstrated a high level of proficiency in sled dog racing and has been previously awarded the S.D. degree. Accumulation of not less than 150 miles in not less than five successfully completed races is required.*

SLED DOG OUTSTANDING (S.D.O.) *This degree recognizes the AKC registered or ILP-registered Siberian Husky who demonstrated an outstanding level of proficiency in sled dog racing and has been previously awarded the S.D.X. degree. Accumulation of not less than 200 miles in not less than five successfully completed races is required.*

- Working Pack Dogs:

This SHCA Working Pack Dog performance program recognizes the achievements of Siberian Huskies participating in verifiable hiking trips as an active member of the hiking party. Siberian Huskies in this program may compete for three titles:

WORKING PACK DOG (W.P.D.)

- The Siberian Husky must pack hike a minimum of 40 total miles.
- All pack hikes must be completed on **trails**.
- **Lapping** is not permitted.
- All pack hikes must cover no less than five miles per day.
- At least two pack hikes must cover no less than ten miles per day.
- No more than one repeat pack hike of the same trail is allowed.

WORKING PACK ADVANCED (WPDA)

- The Siberian Husky must pack hike a minimum of 80 total miles.
- The Siberian Husky must have been awarded the Working Pack Dog (WPD) title. Miles accumulated while earning the WPD titles do **not** count toward the WPDA title.
- All pack hikes must be completed on **trails**.
- **Lapping** is not permitted.
- All single-day pack hikes must cover no less than five miles per day.
- A minimum of two hikes must cover a minimum of 10 miles per day.
- No fewer than two of the pack hikes must cover a minimum of 25 miles hiked on two or more consecutive days. Each pack hike of 25 or more miles must include at least one **overnight stay**.
- Accommodations for **overnight stays** must be accessed on foot. The distance to and from the **trail** to the accommodation is excluded from the day's pack hike mileage unless it meets all other requirements as a **trail** and the dog remains under pack. Accommodations may include nearby camping accommodations (e.g. shelters, camping sites and campgrounds) if they are reachable by foot. Use of motor homes, hotels, motels, etc. is NOT allowed nor is any accommodation accessed by motor vehicles.
- No more than one repeat pack hike of the same trail is allowed, with the exception that no hikes of 25 miles or more may be repeated.

WORKING PACK DOG EXCELLENT (W.P.D.X.)

- The Siberian Husky must pack hike a minimum of 120 total miles.
- The Siberian Husky must have been awarded the Working Pack Dog (WPD) title. It is not necessary for the dog to have been awarded the WPDA title. Miles accumulated while earning the WPD, and/or WPDA titles do **not** count toward the WPDX title nor may miles accumulated while earning the WPDX be used towards a WPDA title if not previously awarded.
- All pack hikes must be completed on **back country trails** utilizing provisions and gear carried by the dog and handler. Use of water procured from natural waterways, tanks, wells, and unheated taps located trailside and in primitive campsites is allowed.
- **Lapping** is not permitted.
- All single-day pack hikes must cover no less than 10 miles per day.
- No fewer than two of the pack hikes must cover a minimum of 40 miles hiked on two or more consecutive days. Each pack hike of 40 or more miles must include at least one **trailside** overnight stay.
- Primitive camping is required for all trailside overnight stays.
